11<sup>th</sup> January 2010

Dear Secretary,

**Notice of AGM Wednesday 27<sup>th</sup> January 2010 at 7:30pm**

Once again, a very Happy New Year to all clubs in the Association. Please find enclosed the agenda for the Macclesfield & District Bowling Association AGM, which is to be held at Macclesfield Bowling Club, on the above date. I also enclose the minutes from the 2009 AGM for your perusal, and details of proposals for discussion at this year's meeting.

It's hard to imagine the bowling season is less than three months away in the current weather, which has been difficult for everybody to contend with, not least when trying to arrange a Macclesfield committee meeting early in the month to discuss proposals! Hopefully all clubs will be able to discuss the attached agenda and be able to attend the AGM, but should the weather take another turn for the worse, I will advise all clubs ASAP if the above date needs to be changed.

It is important that your club is represented at the AGM, and that your delegates are briefed as to how they will vote on any proposals put forward. As always, an attendance sheet will be signed by all clubs, so make sure that your views are heard!

I will be sending out forms under separate cover for clubs to fill in contact details for club secretaries, treasurers and captains. Please can you return these by **Friday 5<sup>th</sup> February** so I can ensure correct details are printed in the handbook for this coming season.

**Obituaries**

As always, the AGM will begin with a moment's silence to pay our respects to the bowlers we have lost since the last AGM. If you wish for me to mention anybody by name, please let me know in advance of the AGM as I will be pleased to ensure they are honoured accordingly.

**Competitions**

The proposed dates for Association competitions will be confirmed before the AGM. Can I please ask that, if you haven't done so already, you advise me of the dates of any annual competitions your club is running so that we can avoid any clashes with existing competitions. Additionally, if you want me to publicise these competitions in the handbook or online, I will be happy to do so.

**Online details**

All of the information included in the attachments is available online at [www.cgleague.co.uk/macc](http://www.cgleague.co.uk/macc) - click on the links on the page to download the documentation. Please check here for any news prior to the AGM.

Kind regards,  
Mark
